PRODUCT DETAILS

Handcrafted from dark brown oak with a high-gloss finish, we paired the frame with the rich, tactile hand of our signature performance velvet. Its sleek lines are anchored by slender steel bars finished in antique brass, creating a balance between visual lightness and structural stability. A substantial piece, the Archer is designed to encourage relaxation, and contemplation. The Archer's commanding scale and sophisticated material mix render it more than just a lounge—it's a sculptural statement that will transform any room. This piece can be crafted to order, customized to your exact specifications in your preferred finish, upholstery and scale. Our made-to-order program offers the opportunity to tailor select designs to perfectly suit your project. Please contact us for more information or to begin your custom project.
