PRODUCT DETAILS

The versatile geometric forms of our Coro Collection are beautifully contrasted by the intricate handwoven basketweave detail of the all-weather strapping. We utilized techniques reminiscent of our signature patinated finishes of our rugs to create a heathered effect on the fabric weave. We paired elevated design with supreme functionality-a rust-resistant stainless steel frame coupled with our signature Performance fabrics. The Coro seamlessly creates an extended outdoor living space. Square tube steel frame Black Matte Powder Coated Metal Polypropylene all-weather strapping Fabric shown in Outdoor Linen | Chalk Weatherproof and stain resistant fabric Covering furniture is recommended for long-term use. If left uncovered the finish will fade and the natural color and grain of the teak will resurface. The Ben Soleimani debut outdoor collection was inspired by the natural sun-drenched coastal landscapes of the Italian, French, and Spanish Rivieras. A modern interpretation incorporating richly textured materials, clean lines, and quality craftsmanship from around the globe.
