PRODUCT DETAILS

Our Ember Stool exudes modern sophistication with its sleek silhouette and meticulous craftsmanship. Its high-gloss finish highlights the unique burl wood, offering luminous depth. The cushion upholstered in our signature alpaca, adds a layer of luxurious comfort. Thoughtfully designed with an open shelf below, it provides an elegant solution for displaying books or curated décor. Pair two stools in a library in front of a hearth creating a space that is both inviting and artfully composed. This piece can be crafted to order, customized to your exact specifications in your preferred finish, upholstery and scale. Our made-to-order program offers the opportunity to tailor select designs to perfectly suit your project. Please contact us for more information or to begin your custom project.
