PRODUCT DETAILS

A study in beauty and function, the Las Palmas Collection features thoughtful beveled details sculpted in famously durable solid teak hardwood. Substantial seat and plush back cushions are upholstered in our signature Performance fabric for ultimate longevity and endurance. Made from premium Grade-A teak Covering furniture is recommended for longterm use. If left uncovered the finish will fade and the natural color and grain of the teak will resurface. The Ben Soleimani debut outdoor collection was inspired by the natural sun-drenched coastal landscapes of the Italian, French and Spanish Rivieras. A modern interpretation incorporating richly textured materials, clean lines, and quality craftsmanship from around the globe.
