PRODUCT DETAILS

The Reva Collection takes its inspiration from classical French design with its regal high back, slender open slope arms and elegant tapered legs. Wereinterpreted the graceful silhouette in the highest quality protected Indonesian teak wood, all-weather rope adds an additional level of comfort to the design. Fabric shown in Outdoor Linen | Chalk Weatherproof and stain resistant fabric Covering furniture is recommended for longterm use. If left uncovered the finish will fade and the natural color and grain of the teak will resurface. The Ben Soleimani debut outdoor collection was inspired by the natural sun-drenched coastal landscapes of the Italian, French and Spanish Rivieras. A modern interpretation incorporating richly textured materials, clean lines, and quality craftsmanship from around the globe.
