PRODUCT DETAILS

The Terra Chandelier is an embodiment of refined artistry. Tiered alabaster keys, artfully suspended from a sleek bronze base, form this opulent chandelier, making it a statement piece for any space. The delicate interplay of alabaster and bronze evokes a sense of timeless elegance, while the design draws inspiration from the beauty of natural elements. Within the Ben Soleimani collection, the focus remains on the intricate details and the unparalleled craftsmanship of each piece. To complement the Terra Chandelier, consider exploring our curated collection of luxury rugs. Every piece in the Ben Soleimani collection is a reflection of dedication to quality and design, seamlessly blending tradition with sophistication. From the tactile allure of our furniture offerings to the ambient glow of our lighting selections, each item is crafted to elevate your interiors. Alabaster Bronze plated Requires hardwired installation Recommend LED bulb only, heat from incandescent bulbs will damage alabaster
