

BEN SOLEIMANI

Luna Pendant

SKU: BC59090-ALBS-BRZ

PRODUCT DETAILS:

At once understated and arresting, the Luna Pendant Light celebrates the luminous glow of alabaster with softly rounded curves suspended from a single line of bronze. Subtle markings in neutral tones reminiscent of marble veining lend dimension to the alabaster shade.

- We strongly recommend the only use of an LED bulb, as heat from an incandescent bulb can damage the alabaster shade.

DIMENSIONS:

Maximum Height with all 3 extensions	54 3/4"
Minimum Height with 2 extensions (8" and 16")	23"
Cord	18"
Weight	15.5 lbs
Max 60W
