Spellbinder 6 | Abbott

PRODUCT DETAILS:

Sara Abbott is an American artist based in Santa Monica, California. Her latest paintings speak about architecture, design, and materiality by using texture and monochromatic color fields. The use of line and shapes enhance the layering of pigment in these paintings, which allows the surfaces to absorb and reflect light. Abbott's methods of manipulating paint and depths of texture are evocative of post-Minimalism.

Sara's work has been featured on the cover of both Elle and Luxe
